JUDGMENT

Entered: July 12, 2016

We have carefully reviewed the record in this case. Essentially for the reasons given by the magistrate judge in her report and recommendation, dated October 10, 2014, the dismissal of all plaintiff/appellant's federal claims, as well as his state law nuisance claim against the Town and all claims against the Roman Catholic Bishop of Providence, is affirmed. The remaining state law claims are dismissed without prejudice.
